REQUEST FOR CERTIFICATE OF CORRECTION UNDER RULE 323

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

It is respectfully requested that a Certificate of Correction be issued in order to correct the errors specified in the attached copy of Certificate of Correction Form PTO-1050.

The changes to claims 1-3, 5, 6, 9, 10 and 13 make the claims internally consistent. The independent claims initially recite "common" before "power supply lines". Regarding claim 3, independent claim 2 recites "a plurality of" first and second transistors.

Claims 7 and 8 are deleted because they are substantially identical to claims 9 and 10, respectively. Although claims 7 and 8 do not recite "a plurality of data lines" (as in line 3 of claims 9 and 10), claims 7 and 8 refer to "the plurality of data lines" in the clause starting "a plurality of pixel electrodes...." Thus, claims 7 and 8 recite plural data lines and therefore are substantially identical to claims 9 and 10.
